

## **Billericay 1 – 0 Whitehawk**

A disappointing result for us in a game we did not deserve to lose sent us crashing out of the FA Trophy.

The Hawks were in control of the match but just could not find that killer final ball or that little bit of luck.

The home team who sit second in the Ryman premier were never really in the game, we dealt with there strong physical game and pushed them back and Ben Godfrey brought a save on the line from the Billericay keeper but could not get enough on the header.

Chances for both sides were never that clear cut and cancelled each other out.

The crucial moment of the game arrived in the 84th minute when the referee pointed to the spot after Mark Pullen brought down the centre forward in the box and the penalty was duly dispatched to send Billericay through to the next round.
