

Bognor 1 – 0 Whitehawk

Hawks 100% start to the season came to a disappointing end with a 1-0 defeat at Bognor.

Darren made 1 change from the team that beat Faversham, Ben Godfrey replacing Pat Harding.

It was a slow start by the Hawks and Chris Winterton made a fantastic double save early on to keep the scores level and the Hawks were denied a goal when the ref gave a foul against Sam Gargan.

The balance of play was pretty even but the Hawks were never at their best and paid the price when Bognor were given a penalty after a foul by Mark Knee.

Changes were made but it was never going to be Whitehawk's day after Joe Keehen saw his header land on the top of the crossbar and Gargan put a chance wide late on.
