

Burgess Hill 0 – 2 Whitehawk

Ten men Hawks overcame a Burgess Hill side that are fighting for survival.

A game that was graced by a strong wind stopped the Hawks from playing there flowing football.

With the wind in our faces it was going to be a tough first half in which we coped with.

Few real clear cut chances were created on the first half as the wind was a major factor in that.

The second half saw Sam Gargan replace Karley Akehurst, and he got himself on the score sheet along with James Fraser.

Hawks dominated the second half and Kyle Vassell missed to great chances to put us in front.

On 65 minutes Ben Godfrey received a red card for a harmless looking challenge, and although we were a man light we still played the better football and looked more like scoring than the hosts, even tho they missed a good chance just after the sending off.

Gargan's goal came from a Joe Keehan cross that he flicked in with his head (and no Fraser you didn't get the last touch it was already in) to give ten men hawks the lead.

Fraser made the game safe on 85 minutes and sent the Hawks home with all 3 points.
