

## **Ramsgate 0 - 1 Whitehawk** (FA Cup Prelim replay)

Whitehawk finally overcame a stubborn and well organised Ramsgate in some awful conditions to progress into the first qualifying round of the Fa cup.

The rain was relentless before the game and the strong wind made it very difficult for both sides.

The Hawks seemed to handle the conditions better than the hosts and created some great chances in the first half with Jerhyl Hughes, Sam Gargan and Ben Godfrey all failing to hit the back of the net with chances.

Ramsgate though never gave in and there defence and goalkeeper (who was superb again) stood firm and they nearly scored on the stroke of half time with there best chance of the game.

Sam Gargan made up for his earlier missed chance by getting the only goal of the game in the 51st minute after a save and a block the ball fell to Gargs to smashed it home from six yards.

The Hawks went in search of a second goal but alas it didn't come and they managed to see out the game and progress to the next round.
