

Sittingbourne 2 – 0 Whitehawk

A very different performance to the one we saw against Bognor condemned us to our 5th league defeat of the season.

A poor pitch didn't help us to play our passing game and we struggled to find any rhythm in the game.

Sittingbourne set themselves up and were hard to break down and we had to resort to a few shots from outside the area which never really troubled the keeper.

On the stroke of half time Sittingbourne hit the bar and as we broke Sam Gargan found himself with a great chance to put us in front, but unfortunately blasted high over the bar.

The second half saw the home team take the lead on 58 minutes as the centre forward danced through and fire past Chris Winterton.

A golden opportunity arrived in the 67th minute when the ball fell to Kyle Vassell 6 yards out only to fire straight at the keeper.

The home side were awarded a free kick 25 yards out and it was stuck and it hit the wall and looped over the stranded Winterton and into the net for their second goal.

Hawks battled on in vain as they tried to get themselves back in the game, but it was not to be our day.
