

## **Soham Town Rangers 1 - 7 Whitehawk**

A fantastic game and performance saw the Hawks ease through into the 1st Qualifying round of the FA Trophy, but not without it's costs.

Darren was fuming about the state of the pitch which was full of holes and the to add to his anger Pearco turned his ankle over in one of the during the warm up.

The Hawks were quick out of the box as Josh scored 1 of his trademark free kicks after just 2 minutes and we never looked back.

A wonderful team performance which saw every player do a fantastic job.

Karley and James Fraser were fantastic in midfield and it was Fraser who got the second goal after his shot deflected in off a defender.

After half-time 2 goals from Gargs and then Godders (one the fans showed the approval of as it was his first of the season) which he totally deserved put us in complete control.

Soham pulled 1 back in the 70th minute but the Hawks wrapped up the easy win in the last 7 minutes with 3 more goals from Fraser, Callum, and a first senior goal for Matt Daniels who was excellent coming off the bench.
