

## **Three Bridges 0 - 1 Whitehawk**

Whitehawk reached the semi-finals of the Sussex Senior Cup thanks to a Lee Newman goal in his first start for the Hawks.

As we have seen with the county sides we have met in this competition, Three Bridges were compact and tight and were hard to break down.

The first half saw very few clear cut chances for either team and neither goalkeeper was unduly troubled.

A bad injury to Mark Knee saw him leave the field just before the hour mark with a nasty gash to his head.

The only goal came in the 70th minute when Jerhyl Hughes burst into the box who's shot was blocked and as it fell to Newman he made no mistake with a neat turn and shot that went in off the far post, his first for the club (first of many hopefully).

Chris Winterton was rarely called upon as the Hawks made there way into the semi-final.
