

Whitehawk 2 – 0 Burgess Hill

The Hawks continued their great home record with a 2-0 victory over a stubborn Burgess Hill.

The Hillians were very well organised and stuck to their game plan throughout the game who had the returning Pat Harding in their side.

The now usual early goal came in the 8th minute after some fantastic work by the in-form Jerahl Hughes whose cross was headed home by another player in good touch, James Fraser.

Whitehawk lost captain Paul Armstrong early in the first half, but with Karley Akehurst coming on for him and James Fraser in the middle of the park they more than coped with the loss.

James Fraser's energy caused the visitors problems all game and he and Jerahl Hughes are really starting to combine really well.

As with the Hythe game we nearly let the visitors back in it on the stroke of half time as Pat Harding shot free and his shot was well saved by Chris Winterton.

Again the second half was controlled by the Hawks and the second goal came in the 50th minute when a powerful header by Sam Gargan found the net.
