

# Whitehawk 1 - 0 Crawley Down

This was the last of 4 games at home on the trot and the lads, Darren, Ross and the backroom team can be very proud as we have taken maximum points from those 4 games with a hard fought victory over Crawley Down.

The Enclosed Ground is becoming a fortress as with this victory we have now taken 28 points out of 30 at home so far this season.

This game saw the first start for Stuart Tuck after his knee op, and he looked like he had never been away.

Crawley Down do not deserve to be where they are in the league as they showed great heart and spirit and really gave us a game.

The only goal of the game came on the stroke of half time when Ben Godfrey headed home a wicked Josh Jones corner, who's delivery of crosses have been fantastic in the past few weeks.

With Paul Armstrong missing (starting a 3 match ban) the midfield was occupied by Karley Akehurst and James Fraser who both had good games.

Crawley Down were unlucky not to leave with a point after they missed a 1 on 1 with the keeper and the shot went wide.
