

Whitehawk 0 – 1 Folkestone Invicta

This game saw us up against the team right behind us in the league, which gave us the chance to increase the 3 point advantage we had over them.

A bright start was made by the away side and we were on the back foot from the start.

The goal came from a breakaway after the referee had missed a foul on Ben Godfrey and Folkestone broke and as the ball was played in from the right James Everitt fired past Chris Winterton.

We never really gained a foot hold in the game, but on 42 minutes Godfrey found himself 6 yards out and his point blank shot was somehow saved by the visiting keeper, who had a very good game.

It was not our best performance and so the visitors joined us in third in the table, but we stayed 3rd due to our better goal difference.
