

## **Whitehawk 2 - 0 Walton Casuals**

The start to the season just got better after a 2-0 home win against a well organised Walton Casuals.

The game started slowly with both sides looking to find there passing game, the impressive Sami El Abd marshalled the back line as always and the Walton chances were few and far between

The Walton goalkeeper made some great saves in the first half to deny Paul Armstong, Sam Gargan and Josh Jones and keep the score at 0-0 at half time

The second half started brightly for the Hawks and there reward came in the 49th minute when Sam Gargan got the first goal of the game after some neat build up play and within 2 minutes Gargan got his second after heading in at the far post from a Jones cross.

Hawks were denied a penalty when Ben Godfrey was brought down which the linesman gave but the referee said no

Chris Winterton was fantastic in the Whitehawk goal dealing with any crosses that came in and late on made a fantastic save to preserve his clean sheet.
