

Whitehawk 3 - 0 Whyteleafe

After last weeks below par performance the Hawks bounced back to winning ways in the league against lowly Whyteleafe with an easy 3-0 victory at the Enclosed Ground.

After just 7 minutes saw us lose Sami El-Abd to a hamstring injury which put an early end to his match and he was replaced by Craig Richards.

Mr dependable Stuart Tuck was a rock at that back and hardly lost a ball in the air as he controlled the back four superbly.

Hawks took the lead on 19 minutes when a James Fraser corner was headed goal bound by Joe Keehan and the on loan Kyle Vassell touched it home from just inside the six yard box.

Whyteleafe had a fantastic chance to bring the scores level on 28 minutes but Chris Winterton made a great save to deny the away side an equaliser.

As the game went on the Hawks gained more control of the game and the visitors were not seeing much of the football.

Just 10 minutes into the second half saw a great goal from Ben Godfrey, he picked up the ball and fed Fraser who played him back in and with his left foot buried a super strike into the corner.

The away side tried to keep the Hawks at bay and try and get back into it as they had some good moments in the game and there heads never really dropped until the 75th minute when skipper Paul Armstrong poked home a Joe Keehan Cross to seal the 3 point for the Hawks.

Man of the Match
