

Walton & Hersham 0 - 1 Whitehawk

A sixth win on the bounce for the mighty Hawks kept up the pressure on the teams above us.

It was another really tough game and one that the lads worked so hard for, it was also the fourth clean sheet in a row.

The goal came in the 55th minute from Josh Jones with a great finish after some good work and pressure by Joe Gatting.

It was not the greatest game but at the moment the team are really grinding out the results and getting the rewards for all there hard work.

The back four all had really good games, the midfield was solid and the front 2 worked so hard to stop the hosts getting a foothold in the game.

It was a game of few chances and thankfully we took one of ours.
