

## **Walton Casuals 0 – 2 Whitehawk**

Darren reverted back to 4-4-2 for this game and it paid dividends with a hard fought victory.

The strong wind didn't seem to suit the home side as the Hawks had most of the possession and played mostly in the home sides half.

Kyle Vassell has made a great impact since his arrival and again had another great game and went so close to opening the scoring in the 19th minute when he nearly turned on a Jerhyl Hughes cross.

It was Vassell again on the half hour mark who unleashed a thunderbolt from 30 yards out only for the home keeper to pull out a wonder save to keep the scores level at half time.

In the second half Sam Gargan replaced Ben Godfrey up front and within 2 minutes of his arrival he put the Hawks in front from a Vassell cross.

Just after the hour mark the home side had some bad luck as a header that had Chris Winterton beat came back off the post and from that the Hawks broke quickly up-field and Hughes crossed for super Gargan to head home his and the Hawks second of the game.

Walton tried in vain to get back into the match, but the Hawks back four and keeper kept them at bay, which rounded off a great team performance.
