

## **Whitehawk 4 - 0 Faversham Town**

The Hawks made it three wins out of three with a convincing 4-0 win against Faversham.

Two wonder goals first from Mark Knee and the second from Paul Armstrong both from outside the box put Whitehawk in control and then Jerahl Hughes added the third just before half time with which Darren must have been over the moon with.

A dominant display was rounded off by substitute Fraser Logan after a great pass from Ryan Thompson
