

Whitstable 0 - 5 Whitehawk

The Hawks took all 3 points against a very poor Whitstable and looked more like the side that Darren is looking to produce.

Right from the kick off we were on the attack and the game was only two minutes old when Sam Gargan had a shot saved and Lee Newman pounced for the rebound only for the goalkeeper to block his follow up.

We were not to be denied an early goal though, as after 5 minutes the impressive James Fraser was brought down in the box and the skipper Paul Armstrong tucked away the penalty in the bottom left hand corner.

As we continued to impress and attack Chris Winterton was called into action on the half hour to keep our one goal advantage with a great one-handed save.

Lee Newman found himself unmarked in the box and from the corner his header somehow bounced over the bar.

Again after coming so close to a goal we were awarded another penalty this time the keeper bringing down Gargan after the big man had skipped past him, and again up stepped the skipper to find the bottom left hand corner with his penalty.

The second half was all Whitehawk as the heads of the Whitstable team dropped and their centre forward amazingly just walked off the pitch and into the dressing room.

It was not to be Lee Newman's day as he missed again on 56 minutes and he sure deserved a goal for all his hard work.

A quickly taken short corner just after the hour mark saw Joe Keehan head in a Fraser cross, Gargan turned and made it four and Josh Jones completed the scoring in the 75th minute to send us home very happy.

Man of the match

Paul Armstrong (well done skipper)
